RE: Adjustments to the Town of Chino Valley Utility Rates

Dear Chino Valley Utility Customers,

On March 27, 2018, the Town of Chino Valley Council approved a new utility rate structure. The Resolution number 18-1118 and 18-1116 has set the utility rates for the next five years. These two resolutions are available on the Town of Chino Valleys website, www.chinoaz.net, or can be obtained from the Customer Service Division.

Please accept this letter as notification of a slight rate adjustment, effective July 1, 2018. The new rates will be effective July 1st and will reflect on the August billing.

Sewer Wastewater Rates	Current Rate	New Rate Effective 7/1/18
Residential	\$64.14	\$62.14
Multi-Family Residential		
Rate per Fixture Unit	\$3.21	\$3.11
Rate per Equivalent Dwelling Unit	\$64.14	\$62.14
Water Rates		
Base Charge		
Residential & Commercial 3/4 meter	\$5.61	\$5.78
Residential & Commercial 1" meter	\$9.37	\$9.65
Volume Charge		
0 - 1000 gallons	\$5.61	\$5.78
0 - 8000 gallons	\$4.57	\$4.71
8001 - 20,000 gallons	\$5.72	\$5.89
20,000 +	\$8.00	\$8.24

The new utility rate schedule is necessary to allow the Town to recover the true cost of operations of the water and sewer systems. If you have any questions, please feel free to contact me at (928) 636-4427.

Sincerely,

Jo Ann Brookins
Customer Services Manager
